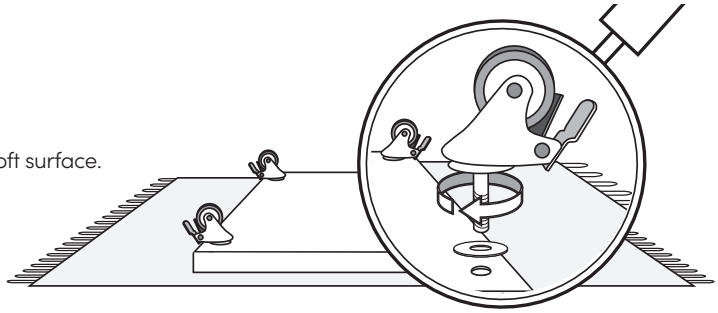
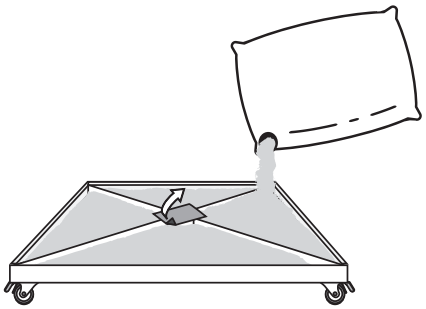
Assembly instructions
CERAMICA 40KG

STEP 1



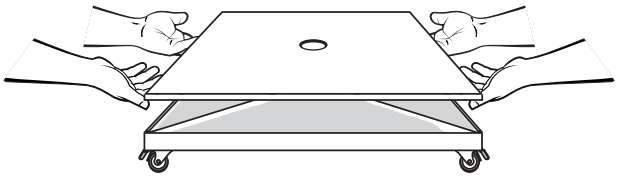
1: Place the base face down on a soft surface.
2: Put the breaks on the wheels
3: Put a washer between the wheel and the base
4: Insert and tighten the wheels by turning them clockwise.

STEP 2

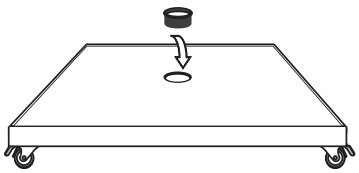


1: Place the base face up.
2: Fill the base with sand. **Do not fill higher than the inside edges and cross.**
3: Remove tape.

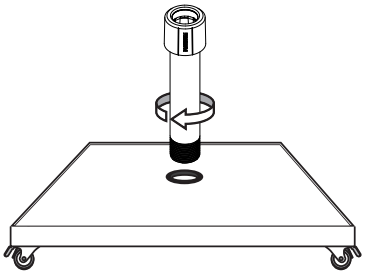
STEP 3



When a Ceramica top does not fit immediately, the following method can be used.
1: Apply firm hand pressure to position the top correctly.
2: If needed, gently tap the top using a rubber hammer to help it slide into place.



STEP 4



STEP 5

Handle with care. If needed, remove the ceramic tile with a flat head screwdriver.
